FROM THE PROVINCIAL'S DESK

EMBERS IN THE DARK: IMAGES OF HOPE IN A CHANGE OF ERAS

The sterling efforts of the Patna Jesuits in responding to the situation arising out of the country-wide lock-down in the wake of the COVID 19 crisis is an image of hope in the midst of several resistances to reach out to the least, the last and the lost (Mathew 25).

Right from Lockdown 1.0, beginning with Patna, all the Jesuit communities in the dioceses of Patna, Buxar, Bettiah and Muzaffarpur have contributed their mite for the relief and support of marginalized groups through the distribution of pre-cooked meals and dry rations.

The effort to keep the embers burning, now that migrant labourers from Bihar have returned, continues. Our schools are being requisitioned as quarantine centres by the local administration in remote areas. To this we have readily offered our support and space.

This presentation, through words and images, is our contribution, along with collaborators and like-minded persons/groups, towards this process of reconciliation of humanity in a world broken by COVID 19. It is a drop in the ocean considering the magnitude of the situation. Nonetheless, I believe, that this small drop makes a huge difference to those thirsting for consolation. We are grateful to the Good Shepherd for having allowed us a share in these Paschal Mysteries, beginning with lock-down 1.0, leading us to bring the hope of the Resurrection during the Easter Season of lock-down 2.0 and 3.0. May the outpouring of the Spirit at Pentecost heal our broken world and keep the embers of hope ever-burning.

Donald Miranda, SJ
Provincial, Patna Jesuit Province

PATNA JESUIT PROVINCE RESPONSE TO THE COVID CRISIS

The Covid-19 crisis has brought in multiple problems. Apart from fighting against the virus that is killing lives, the situation has forced us to

FIGHT AGAINST HUNGER

“Even if we are saved from Corona virus, we will die of Hunger”

“I haven’t eaten anything for three days”.

This heartrending cry of the poor spurred us, the Patna Jesuits, into action, to fight against hunger caused by this pandemic. This is the cry of the thousands of migrants and other poor people who have been devastated not by the sickness but due to the adverse impact of the enforced lockdown. Overnight, people lost their livelihood and with that their dignity too.

Responding to the hunger situation, the Patna Jesuits took efforts on a war-footing to provide people with food and dry rations. As on 30th April, 2020, we have provided hot meals to **21,000 persons** in collaboration with IRCTC and **8588 families** have been provided with dry rations to help them tide over the lockdown period.

FIGHT AGAINST THE SPREAD OF CORONA VIRUS

“United, We Shall Overcome”

Joining the world and the nation in its fight against the spread of the Corona virus, the Patna Jesuits have taken proactive initiatives to help the poor and the most vulnerable people to protect themselves and to control the transmission of the virus.

As on 30th April 2020, we have provided **7500 masks**; More than **16000 Soaps** were given along with ration kits. Two of our schools, St. Xavier’s School, Gaunaha in West Champaran District, and Raj Rajeshwar School, Barbigha, Sheikhpura District, have been converted to Quarantine Centres by the government.

AWARENESS CREATION

Creating awareness about Govt. welfare schemes, sanitation, hygiene, social distancing, isolation etc. is done through passing on information, phone calls, and occasional visits of field staff, SHG groups, and volunteers.

Teachers of the village schools are telling people to stay at home and maintain social distancing and also avail the government help provided to the needy

MEDICAL SUPPORT

Providing medical support to those who are chronically ill and need regular medicines

GENEROSITY OF STAFF

St. Michael's School & St. Xavier's College of Education have earmarked one day salary of the teaching staff besides earmarking a specified amount to help out through our SA centers specially in Sasaram and Sakri.

INTERVENTIONS OF SOCIAL ACTION CENTRES

The SA centres of Patna Province are helping out through volunteers and our staff besides the people who call for help by either directly helping or reaching out through government agencies in getting help from government schemes/ ration distribution. The directors of our centres contact police, the BDO, and other government officers to direct them to the needy people and places. For example, Jesuit community Aurangabad, facilitated 867 families for govt. ration and helped 115 to get new ration cards. Jeevan Sangham, Bodhgaya, has directed BDO to the needy.

FINANCIAL AID

28 families were given Rs. 500 each as emergency financial help

ALUMNI CONTRIBUTION

The Alumni of St. Michael's distributed dry ration to 950 families in the school campus as on 30 April 2020

- Networking with Govt. Agencies:
Officials district to village & IRCTC provided meals
- Networking across FAITHS ;
Buddhists Monks, Bodhgaya & Muslims
- Networking/ Collaborating with women
religious- with in the community and outside
- Networking with Diocesan Bodies
- Networking within our institutions / houses:
Jesuits, Staff, Alumni, SHGs, Volunteers, etc.)
- Collaboration with Donor Agencies,
NGOs & Benefactors – family, friends, others
- Networking among Jesuit Institutions

Stories From The Field

In the first week of the lockdown, we were not doing anything much other than taking stock of the situation in the villages. On the 03rd of April, Fr. Juno, SJ, Director, Manthan, visited a village (Murgiya Chak) to find out the situation. In my interaction, one old lady told me, "We may be saved from corona virus, but we will die of starvation for sure". Another woman told me, **"I have not eaten anything for the last three days"**. These two voices made me to think loud and take steps to reach out to the needy as soon as possible. Then we came in touch with the Indian railways catering department and started distributing cooked food to people in different villages. I also requested our friends, well-wishers and the Province to help us to respond to the situation. All of them helped us generously. My deepest experience during the lock down is that that "our hearts are opened" to the reality and to the least and the last.

- Fr. Juno Sebastian, SJ, Dir, Manthan

Jeevan Sangham, Bodhgaya, : We have found that poverty is hidden in villages. Outwardly, certain houses may suggest that they are not poor. Households which depended on income from migration, found themselves in difficult situation. The sudden fall in their income, caused much hardships in their life. Such was the case that we encountered in Belaganj. The young man who migrated to Delhi for work used to send money home for his wife and three children. For the last two months, he could not send money. He is held up in Delhi. The family found it difficult to manage. A few days, they managed with borrowing rice from neighbors. This household does not have ration card either. As a result, the household experienced much hardship. The mother found it difficult to feed her children. In desperation, she called up the help line number of labor commissioner who contacted us in turn to help this family. This experience helped us to encounter poverty hidden in many households which are not so easily visible to naked eye. Even the neighbors do not have patience to know the actual situation of the one living next door.

- Fr. Anto Joseph, SJ, Community Leader, JS,
Bodhgaya & Dir, BDVS, Patna

DETAILS OF RELIEF WORK UNDERTAKEN BY EACH COMMUNITY

S.N.	INSTITUTION / HOUSE	TYPE OF RELIEF & SUPPORT PROVIDED	DISTRICT	TYPE OF COMMUNITIES REACHED / HELPED
1	ARA : CHS & PARISH	Dry ration kit- 400 families	BHOJPUR	Musahar tolas and a few Christian families

Feeding the poor residing in slum areas

Faryal Rumi
Patna: The nationwide lockdown is really hard on the poor people who earned their livelihood on daily wages. In this period of crisis, a voluntary organization has been feeding the poor especially those who live in the slums.
Manthan, a voluntary organization of the Patna Jesuit Society (PJS), claims to have reached 13 slum areas while serving the cooked food to needy persons. Fr. Juno said, Covid-19 has badly affected people from all walks of life. The people belonging to weaker sections are worst hit from this pandemic. When we reached Murayyachak Musahar, an old woman said she had not eaten anything for the last three days. This is a very painful situation," he recalled.
He said Manthan had been working in more than 50 Musahar villages under the

HELPING HAND

“UNITED WE OVERCOME”

SPECIAL THANKS TO COLLABORATORS

The COVID-19 crisis has once again proved that unity is strength. This level of reach out was and is possible only due to networking and collaborating.

We extend our sincere thanks and gratitude to all
